### 2) How to provide written comments to the working document

Stakeholders will be able to provide **written comments** to the working document ([Textile-Prep-Study 2nd-Milestone 20241217.pdf](#)) **until 3 March 2025 at 23:59 CET.**

Written comments should be submitted via [this web form](#).

The web form allows the submission of maximum 10 comments, but **stakeholders can submit as many web forms as they wish.**

When providing your comments, please be mindful that what is most relevant is the **reasoning** and **evidence** supporting a position, rather than the number of contributions. JRC encourages stakeholders to **team up** and send well-argued aggregated comments. Additionally, JRC encourages companies to provide comments **via their associations.**

Please, do not include personal information or the name of your company or institution in the submitted comment.

If stakeholders wish to share additional documents, this should be done via email to [JRC-B5-TEXTILES@ec.europa.eu](mailto:JRC-B5-TEXTILES@ec.europa.eu)

### 3) How to contribute to the questionnaire on substances and substances of concern

Stakeholders will be able to contribute to the questionnaire on substances and substances of concern **until 10 March 2025 at 23:59 CET.**

Contributions should be submitted via [this questionnaire](#).

#### **4) How to contribute to improve the environmental and economic model**

Stakeholders will be able to contribute to improve the environmental and economic model **until 17 March 2025 at 23:59 CET.**

Contributions should be submitted by completing the Excel file ([Textile PS LCI comment and data collection 20241217.xlsx](#)) after reading the supporting document ([Supporting document for LCA-LCC model 20241217.pdf](#)).

The completed Excel file should be sent to the email address [JRC-B5-TEXTILES@ec.europa.eu](mailto:JRC-B5-TEXTILES@ec.europa.eu)
